## BioGaia® ProTectis®

### Probiotic Drops 5mL Digestive Health and Colic Relief

#### Active ingredients:

5 drops contain a minimum of 100 million live active *Lactobacillus reuteri* DSM 17938 (*L. reuteri* Protectis).

#### Non-medicinal ingredients:

Sunflower oil, medium chain triglyceride oil, silicon dioxide. BioGaia Probiotic Drops do not contain preservative or alcohol.

#### Dosage:

Adults, Children and Infants: 5 drops once a day or use as directed by your health care practitioner. For use beyond 21 days, consult your health care practitioner. If antibiotics are being taken, take at least 2-3 hours before or after taking antibiotics.

#### Cautions and Warnings:

Discontinue use and consult a health care practitioner if symptoms of digestive upset (e.g. diarrhea), occur, worsen, or persist beyond 3 days.

#### Contraindications:

Do not use if you are experiencing nausea, fever, bloody diarrhea or severe abdominal pain. Do not use if you have an immune compromised condition (e.g. AIDS, lymphoma, patients undergoing long-term corticosteroid treatment).

### NPN 80062995

Each daily dose of 5 drops contain a minimum of 100 million live active *Lactobacillus reuteri* DSM 17938 (*L. reuteri* Protectis)

#### Storage:

BioGaia Protectis Probiotic Drops are SHELF-STABLE. Keep the container closed. **Store at room temperature (15°C to 25°C).** Do not allow the bottle dropper to come in contact with any liquid, including saliva. Opened bottle should be used within 3 months.
